# LET ACHS PUT YOU IN THE SPOTLIGHT!

If you have received this prospectus, it is because someone in our college honor society community believes that your business and services would benefit honor society leaders and administrators. The Association of College Honor Societies (ACHS) is pleased to invite you to partner with us at our 2026 Annual Conference in Baton Rouge, Louisiana, January 29–31, 2026.

Our attendees are executive leaders of nearly 70 national and international nonprofit honor societies located on thousands of college campuses worldwide. By participating as an Annual Conference partner, you will be in front of executive directors, meeting planners, and the top program administrators of these organizations. You will have a chance to engage with decision-makers and share ways your services and products can help attendees maximize efficiencies in their societies.

The ACHS Annual Conference is a time when all members come together for professional development, enriched learning opportunities, and invaluable networking. **In 2025, 67% of attendees completing the conference evaluation indicated their intentions to use the products/services of the exhibitors they met at the conference.** The businesses and organizations who partner with ACHS each year help us keep our conference costs low and provide outstanding program content and speakers to attendees. The ACHS Board of Directors reserves the right to select only applicants whose products and services are of interest to ACHS members.

The last page of this prospectus is a tentative conference schedule that should help show the partnering opportunities in the context of the conference.

**The deadline for securing your spot is January 16, 2026.** Please review the packages below to find the best fit for you. If you don't find a good fit there, we are happy to work with you to build a unique sponsorship package please contact [conference@achshonor.org](mailto:conference@achshonor.org) for assistance.

Note: While exhibitors or partners may host their own private group dinners on Thursday or Friday evenings (see tentative schedule), those dinners and their locations must be approved by the ACHS main office before any events are scheduled or communicated to ACHS conference attendees. There may also be time on Friday for a private group lunch between events. If that interests you, let us know.
